Give the gift of hope

For more than 25 years, Vision Northumberland has helped people with sight and hearing loss stay active, independent and connected. But we can't do it without you.

Making a gift to Vision Northumberland during your lifetime is a powerful way to support a cause close to your heart, while allowing you to see the difference your kindness makes in the lives of local people.

Your support would allow us to:

- Empower people to face challenges with confidence.
- Provide tools for independence in daily life.
- Ensure access to modern, barrier-removing technology.
- Guidance and a listening ear when needed.
- Build skills and adapt to changing abilities.
- Support travel to appointments and activities.
- Foster community, friendship, and active living.

“From the warm welcome, the friendship, kindness and understanding you share with us, we all leave better for being there.”

Your gift could be someone's turning point.
