Leaving your Legacy

for Vision Northumberland

Leave the gift of independence in your Will

Legacies Change Lives

For over 25 years, Vision Northumberland has supported people with sight and/or hearing loss to stay active, independent and connected to their communities. But we cannot do it alone. Legacies are vital to sustaining our work.

By leaving a gift in your Will, you can help protect this essential support - enabling us to continue providing a lifeline for people living with sensory loss, including:

- Empower people to face challenges with confidence.
- Provide tools for independence in daily life.
- Ensure access to modern, barrier-removing technology.
- Guidance and a listening ear when needed.
- Build skills and adapt to changing abilities.
- Support travel to appointments and activities.
- Foster community, friendship, and active living.

“I have had a new lease of life since going to the café at Vision Northumberland. It is the only time I leave my house when the driver picks me up and takes me there. I thoroughly enjoy the company”

A legacy of kindness never fades.
